

# Tips for Entering AP courses in IC

## 1. Be sure to select AP from the Difficulty Level drop down menu.

When Kentucky Higher Education Assistance Authority (KHEAA) calculates Kentucky Education Excellence Scholarship (KEES) money, they use the information from the Course Difficulty Level drop-down menu to determine which students receive an extra one-point bump in their GPA for taking an AP course.

**\*\*When the AP option is not selected from the Course Difficulty Level drop-down menu, students' KEES money is directly affected. \*\***
